فرمانده سپاه همدان و جانشین لشکر 27 محمد رسول الله (ص)

The radio operator jumped into the trench. Shahbazi took a deep breath. He closed his eyes and in his imagination he saw the minarets of Khorramshar's great mosque which were shelled. He felt relaxed. He heard the trucks carrying men to the stronghold. He didn't want to remove the picture of the minarets from his mind. He opened his eyes. He looked towards the headless palms of Khorramshahr. Suddenly a grenade buzzed and flew in the sky and hit the center of the trench. The explosion wave lifted him up and threw him on the other side of the stronghold. Radio operators jumped out of the trench and looked for Shahbazi. Each of them was looking for him in a different spot. One of them saw his lifeless body. He shouted, "Ya Hussein. Haji has been martyred."
